ABOUT US

Anytime Care 2020 is a fast growing nursing and home care agency supplying clinical staff to various healthcare settings. Formed in January 2006, the company has since grown from strength to strength due its reputation for high quality staff and the very best in customer service.

We are very serious about the standards of care services we provide. We are registered and regulated by the Care Quality Commission and we have adopted the professional Code of practice from United Kingdom Home Care Association (UKHCA) and Recruitment and Employment Confederation (REC) of which we are members.

OUR MISSION

Is to provide high quality, professional and individualised service at any time, maintaining compliance. This is achieved through our robust, value based recruitment process and systems which have ensured only highly skilled, dedicated caring professionals register with our agency. We are committed and invest in training our staff to ensure career development and that the service we provide is of a high standard and meets the needs of our varied client groups.

OUR VISION

To be the most highly regarded supplier of healthcare staff in our areas and providing the very best in customer service.

OUR VALUES

OUR TEAM

One of the founders is a dual qualified General and Mental Health Nurse who has long and extensive experience within the NHS and Private Sector. Through this experience, we are committed to high recruitment standards, continually striving for excellence. Our recruitment team follow a rigid and strict recruitment process that ensures that all our staff are fully compliant.

All our healthcare staff:

- ✔ Complete our application form, with full employment history and qualifications
- ✔ Undergo an enhanced DBS check
- ✔ Have face to face interviews to verify documents, assess suitability and competence/skill
- ✔ Have at least 2 references, the latest employer reference is always followed up
- ✔ NMC pin for registered nurses
- ✔ Complete skills test, maths and English literacy test

“ Nicola is a pleasure to have working with us at Derham House, she does an extremely good job when she is on shift and does everything she can to help out our nurses. We would have her here anytime!

Thank you Nicola! ”

“ Having used Anytime Care 2020 as our main supplier of Nursing Agency staff over the past six months, we are extremely impressed with their professionalism and the timely manner of which they meet our staffing needs.

Calls are answered promptly and Staff are always friendly and ready to help. Even when we call at short notice we know they will do their absolute best to source cover on our behalf.”

— **Donna. Derham house,
Barchester Healthcare**

“ I’m happy and relieved to know that Anytime Care 2020 respond to requests for shift covers very quickly and they always inform us, if on the rare occasions they are unable to cover a shift (*believe it or not many agencies don’t do this!*).

I am also happy with the staff being sent as they show good initiative and are willing to work hard with the team.”
